PROPOSED CLAIMS

In light of the Decision on Appeal mailed November 20, 2009, submitted herewith is a Listing of Claims that is proposed to replace the claims currently pending in this application. As can be seen, it is proposed that rejected claims 1-57 be canceled and that allowable claim 58 be amended to incorporate the subject matter of parent claim 57. Claim 59, which depends from claim 58, and allowed claims 60-62 also remain pending in the application.

Thus, only claims which have been allowed remain pending in the proposed Listing of Claims. Accordingly, the application would be in condition for allowance should the proposed Listing of Claims be acceptable to the Examiner.

It is thus respectfully requested that the proposed Listing of Claims be entered into the present application and that the application be moved to issuance.

No fees are believed due at this time. Please apply any charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,

Date: January 5, 2010
